RICHARD W. WIEKING  
CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
OAKLAND

Dear Clerk,

I received a packet from this Court on 5-16-08, that contained: a Court-Stamped Cover Sheet to my recent 1983 # C-08-01977; a Three-Page ECF Registration Information Handout; a Notice telling me the \$350.00 filing fee, on my recent 1983 is due; and an In Forma Pauperis Application.

I don't know how to respond to the ECF Registration, other than I feel strongly against it, because of my incarceration, and thereby deprived of electronic equipment that would be necessary for computing. Enclosed is a Court Receipt of my properly paying my \$350.00 Court Fee. I'm sending the In Forma Pauperis at this time, as a form of insurance against upcoming fees I may not be aware of. I'm also enclosing a Motion for <sup>W</sup> immediate TEMPORARY INJUNCTION.

Can you send as much information as possible about Federal Torts, because I'm experiencing a bombardment of not receiving magazines I've paid the subscription for. I believe I'm being deliberately ripped off, but I can tell that, according to staff response, it will next to impossible to determine the problem; the institution or the publisher.

Sincerely,  
DAN!
